10 October 1957

Item for Inclusion in the D/GP Contribution to the Semi-Annual Report to the President's Board of Consultants on Foreign Economic and Geographic Intelligence Activities

25X1A9a Per our telephone conversation of this morning, this is the item [REDACTED] indicated should be included in the Photo Intelligence contribution. (It was originally submitted to him for the ORR contribution, but will not be included in it.)

25X1X4 [REDACTED] There is an increased volume of excellent ground photographs being brought out of Communist China by Travelers from inside this area are also making available an increased amount of pertinent information. Through the development of analyst capabilities to utilize aerial photography and because of the increasing availability of photo coverage, there is an apparent rise in the utilization of aerial photography as an intelligence source.
